Welcome!

We are a church for everyone...

During each service, we sing, conduct "children's time", hear a message (includes Bible reading), and pray. The projector will show each step, on the screen.

Children are sometimes noisy. We play diverse types of music.

The nursery (new born to JK) opens before service. The Kidzone Program (K to G6) follows "children's time" in the service.

After service, join us in the lower hall for coffee, tea and fruit juice.

Everyone is welcome. You are too.
